

KYC Foundation Update: Spring 2025

Summer is just around the corner. The boats are returning to the harbors and soon we'll be back on the water sailing.

Want to get out sailing this summer? Our summer sailing class have been announced and are open for registration.

First Sail Experience

First Sail is a US Sailing initiative offered to beginners as an introduction to sailing in a casual setting and designed to provide a memorable experience that will motivate newcomers to continue sailing. Each first sail experience consists of two sessions, with the first introducing the basics of sailing and the following week getting out on Lake Michigan to experience the joy of sailing for yourself.

We have three First Sail Experiences available for just \$50/per person.

Tuesdays, May 20 & 27
Mondays June 16 & 23
Tuesdays July 8 & 15

Sailing 101

After your First Sail, or if you have some experience, continue your education with our four-week program. Classes start at \$180/per person, with discounts for family groups of two or more.

We have three options, with a four-week program offered in June, July & August.

Visit our website www.KYCFoundation.org to register for First Sail Experience of Sailing 101.

Sailing 102

Ready to go to the next level? We offer Sailing 102 for those interested in more advanced techniques. These are scheduled on demand, so contact us for more information at ContactUs@kycfoundation.org.

Book Donations

As part of our mission with the community, the Foundation has allocated \$200 to provide water safety books to libraries in Kenosha County. *Stewie the Duck Learns to Swim* is just one of the titles that will be provided, along with a few others for various ages from young children to teenagers to promote water safety.

Simmons Island Beach Cleanup

Our annual beach cleanup will be on Saturday, May 17th from 9-11am. This is our third year doing the cleanup and our volunteers have picked up hundreds of pounds of trash along our beautiful waterfront.

Students needing volunteer hours can get volunteer credit for helping at this event.

**JOIN AN
ADOPT-A-BEACH
CLEANUP!**

BEACH	Simmons Island, Kenosha WI
DATE	Saturday May 17, 2025
TIME	9:00am – 11:00pm
